

November 14-15th, 2021

The [Global Online Animal Training Summit](https://www.ATFGOATS.com). GOATS is a 2-day virtual event catered towards professionals who work with exotic animals in managed care. This event is primarily focused on providing attendees with information designed to enhance practical application skills and knowledge when it comes to animal training. It features the following:

- Presentations from a panel of selected international animal experts
- Live training demonstrations from around the world
- Mastermind session on hot topics in animal training
- Virtual Swag Bag with educational resources
- Opportunities to win fantastic training products and services

Visit www.ATFGOATS.com to Register for the LIVE Event or On Demand.
